

Job Placement Event

“Job Opportunities at CGG”

Tuesday 18th September 2018

Area Science Park

A Technology Company with a Passion for Geoscience

CGG is a **pioneering Technology Company** providing **world class fully integrated Geoscience services**, within the global Energy sector. Created in 1931, our history tells the story of a profession conducted with passion and of an adventure stretching across five continents. We **employ in excess of 5,500 people worldwide**, who bring a unique blend of talent and energy through working together to deliver unrivalled innovative solutions to our customers.

Through **our cutting-edge Technology in Geoscience, we have achieved outstanding leadership**, with a strong focus on innovation and a commitment to delivering the best sustainable solutions to our clients' energy challenges.

Based on the foundations of mathematics and applied physics, we bring our clients a unique range of technologies, manufactured equipment and services; all designed to generate stunning 3D images, geological data and remote sensing information of the Earth's structures.

The event is promoted by [Welcome Office FVG –SiS FVG](#) in collaboration with the **EURAXESS Centre of Area Science Park**.

CGG will be looking for graduates to start in 2018 and 2019 in the following subjects:

- **Imaging Scientist / Geophysicist:** Master's degree or higher in Geophysics, Geology, Geoscience, Mathematics, Physics, Engineering or other technical related degree.
- **Research Geophysicist:** Master's degree or higher in Geophysics, Mathematics, Physics or other technical related Master's.
- **Software Engineer (Applications, Systems and Big Data):** Master's degree or higher in Computer Science, Geophysics, Mathematics, Physics, Engineering or other technical related degree with strong programming skills.
- **Geoscientist:** Master's degree or higher in Geology related subject or Geophysics.

Date: Tuesday 18th September 2018

Time: 10.30 am - 16.45 pm

Venue: Area Science Park (Padriciano Campus – Building C), Padriciano 99, 34149, Trieste

To register your attendance, please email uk.recruitment@cgg.com Please **state if you would like to attend the presentation and network session only, or would like to also have a feedback interview.**

Opportunities to complete a video interview and attend a feedback session will be allocated on a first come first service basis.
